The Greater Good

We recently received some heart-warming photos showing students lined up to get their sweaters screen-printed with the school's name and information. Headmistress Angela explained that they hoped to attract the attention of people who might want to help support their students.

While support may be generated through this effort, I think there might be an even bigger payoff.

WILL YOU SPONSOR A NEW GRADUATING

TLOMA PRIMARY STUDENT?

[Back to top](#)

We are so happy that 16 students have completed their 'high school' education, **but we have a brand new class of Tloma Primary School graduates** with some outstanding students who need assistance to continue their education.

It only takes \$450 to provide a student's food, lodging, uniforms, and educational supplies for a full year. Please say you will consider sponsoring one of these students. You can contact us for more details at TlomaGivingInfo@gmail.com or on our [website](#).

Our First Secondary Boarding School Graduates!

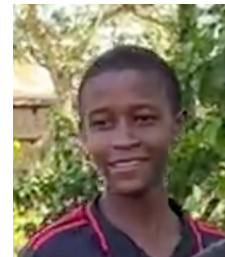

These three students are top performing scholars who will complete Form 4 at the Tumaini Secondary School, a STEM school that provides superior educational opportunities for outstanding students. The school is about 4 hours from Tloma.
